

# AK-SAR-BEN NATIONAL SHORTHORN SHOW & SALE

**OMAHA, NEBRASKA**

**DECEMBER 10 & 11, 1964**

## **“Who Me?”**

There is a deep responsibility in the fundamental breeding program of every breeder of Shorthorns. And the same responsibility rests upon the seller of breeding stock. This sort of responsibility has also been uppermost in the thinking of the sponsoring organizations - the American Shorthorn Association and Knights of Ak-Sar-Ben - both dedicated to improvement of livestock.

In presenting this unusually good consignment, we are aware of a very important fact - without exception; the offering in this sale has been selected from the finest each consignor has produced. Emphasis has been on selection of bulls and females that will suit critical, progressive breeders.

The personal codes of the men and women who strongly stand behind each consignment will, without question, render a service to the breed and its supporters and justify a highly competitive position brought about by the vast improvement the bulls and females in this sale can exert.

Join us December 10 and 11 - a most cordial welcome awaits you.

KICKAPOO CLIPPER KEY - by Kickapoo Keynote an imported-in-dam bull that we have used with much success. His daughters are admired by everyone that have seen them. His sons have averaged in four figures. Johnson Bros., Atlantic, Iowa purchased Kickapoo Keynote in our 1961 sale. Note the great bulls in Clipper Key's pedigree which account for his character of head, correctness of leg placement, and balance throughout.

Included in these are two Reserve Grand Champion Bulls at the International. Note the similarity of bloodlines a factor that could indicate a potent strength with the high caliber males and females in this pedigree. Boll Weevil Broadhooks 2d, a show cow of her period, was purchased in the 1962 Boll Weevil Sale at \$2350. This Broadhooks family has been consistently outstanding in the Muirside herd in Scotland.

ACADIA NAPOLEON 102nd - Remember the eye-catching baby calf, pictured above, by Acadia Napoleon 66th on the Shorthorn World cover a while back? Here he is in his year-old form, straight from the show string: a great individual with a flawless Scottish pedigree. His sire, the 66th, is universally recognized as the paragon of Napoleons, the popular All-American that is blazing new trails as a breeding bull in the joint ownership of Acadia and John Shuman of Colorado. His dam is one of those invaluable Calrossie Ocean Wave daughters with which Boll Weevil can no longer be persuaded to part. The Acadia herd is Federally Accredited for Tuberculosis and Certified for Bang's.
